19 ORDER OF CONTINUANCE

20 This matter comes before the Court on the Parties' Stipulated Motion to Continue
21 Consideration of Defendant Block, Inc.'s Motion for Summary Judgment Pending Settlement
22 Discussions. (Dkt. No. 79.) The Court had previously ordered consideration of Defendant's
23 motion to be continued in order to allow the Partise to complete scheduled settlement
24 negotiations. (See Dkt. No. 74.) The Parties report that they have "made substantial progress in
their settlement negotiations," and seek an additional brief continuance "[t]o allow these
discussions to continue," and "to preserve the Court's resources in the event the parties

1 determine to settle the case.” (Mot. at 2.) The Parties additionally propose the following

 7 GRANTED and the proposed schedule is adopted. The Court’s consideration of Defendant’s
 8 Motion for Summary Judgment is CONTINUED until April 8, 2025. The Court notes that this is
 9 the last continuance that will be granted as to Defendant’s motion.
